Spell Conversions

The Fifth Edition PHB includes a robust magic system with hundreds of spells. These spells can be somewhat replicated using Anime 5E's effects-based framework, typically exchanging a spell's specificity with the Attributes' flexibility. In Anime 5E, the story flavour and dramatic narrative takes precedence over rigid rules and requirements.

We present 10 Fifth Edition spells herein with their rough Anime 5E equivalents for their base versions. Some spells could be created using a few different Anime 5E methods; we present one such option for each spell as an example of how conversion could be accomplished. Anime 5E takes the position that spell components are largely descriptive tools rather than mechanistic limits unless the requirements are extraordinary. Additionally, none of the Attributes include the Charges or Deplete Limiter, though DMs may wish to append either of those to replicate the limited resource of spell slots.

DANCING LIGHTS

Level and School: Evocation Cantrip
Casting Time: 1 action
Range: 120 feet
Components: V, S, M (a bit of phosphorus or wychwood, or a glowworm)
Duration: Concentration, up to 1 minute

You create up to four torch-sized lights within range, making them appear as torches, lanterns, or glowing orbs that hover in the air for the duration. You can also combine the four lights into one glowing vaguely humanoid form of Medium size. Whichever form you choose, each light sheds dim light in a 10-foot radius.

As a bonus action on your turn, you can move the lights up to 60 feet to a new spot within range. A light must be within 20 feet of another light created by this spell, and a light winks out if it exceeds the spell's range.

DANCING LIGHTS

RANK	POINTS	ATTRIBUTE
3 (1)	3	Control Environment (Light; Range: 100' -3, Concentration +1)
3	TOTAL POINTS	

CURE WOUNDS

Level and School: 1st-Level Evocation
Casting Time: 1 action
Range: Touch
Components: V, S
Duration: Instantaneous

A creature you touch regains a number of hit points equal to 1d8 + your spellcasting ability modifier. This spell has no effect on undead or constructs.

CURE WOUNDS

RANK	POINTS	ATTRIBUTE
1	1	Healing (+1d8 HP)
1	TOTAL POINT	

ENLARGE/REDUCE

Level and School: 2nd-Level Transmutation
Casting Time: 1 action
Range: 30 feet
Components: V, S (a pinch of powdered iron)
Duration: Concentration, up to 1 minute

You cause a creature or an object you can see within range to grow larger or smaller for the duration. Choose either a creature or an object that is neither worn nor carried. If the target is unwilling, it can make a Constitution saving throw. On a success, the spell has no effect.

If the target is a creature, everything it is wearing and carrying changes size with it. Any item dropped by an affected creature returns to normal size at once.

Enlarge – The target's size doubles in all dimensions, and its weight is multiplied by eight. This growth increases its size by one category— from Medium to Large, for example. If there isn't enough room for the target to double its size, the creature or object attains the maximum possible size in the space available. Until the spell ends, the target also has advantage on Strength checks and Strength saving throws. The target's weapons also grow to match its new size. While these weapons are enlarged, the target's attacks with them deal 1d4 extra damage.

Reduce – The target's size is halved in all dimensions, and its weight is reduced to one-eighth of normal. This reduction decreases its size by one category—from Medium to Small, for example. Until the spell ends, the target also has disadvantage on Strength checks and Strength saving throws. The target's weapons also shrink to match its new size. While these weapons are reduced, the target's attacks with them deal 1d4 less damage (this can't reduce the damage below 1).

ENLARGE/REDUCE

RANK	POINTS	ATTRIBUTE
1	5	Size Change (Up or down one size; Potent -2; Concentration +1, Unique Limiter +1: does not affect targets who successfully Save [Constitution vs. DC 8+PB])
5	TOTAL POINTS	

DISPEL MAGIC

Level and School: 3rd-Level Abjuration
Casting Time: 1 action
Range: 120 feet
Components: V, S
Duration: Instantaneous

Choose one creature, object, or magical effect within range. Any spell of 3rd level or lower on the target ends. For each spell of 4th level or higher on the target, make an ability check using your spellcasting ability. The DC equals 10 + the spell's level. On a successful check, the spell ends.

DISPEL MAGIC

RANK	POINTS	ATTRIBUTE
4 (3)	20	Nullify (Magic; Range: 100 feet -3; Unique Limiter: one effect at a time +2)
	20	TOTAL POINTS

GREATER INVISIBILITY

Level and School: 4th-Level Illusion
Casting Time: 1 action
Range: Touch
Components: V, S
Duration: Concentration, up to 1 minute

You or a creature you touch becomes invisible until the spell ends. Anything the target is wearing or carrying is invisible as long as it is on the target's person.

GREATER INVISIBILITY

RANK	POINTS	ATTRIBUTE
1 (2)	2	Undetectable (Sight 2; Potent -1; Concentration +1, Environmental: Only lasts 1 minute +1)
	3	TOTAL POINTS

INSECT PLAGUE

Level and School: 5th-Level Conjunction
Casting Time: 1 action
Range: 300 feet
Components: V, S, M (a few grains of sugar, some kernels of grain, and a smear of fat)
Duration: Concentration, up to 10 minutes

Swarming, biting locusts fill a 20-foot-radius sphere centred on a point you choose within range. The sphere spreads around corners. The sphere remains for the duration, and its area is lightly obscured. The sphere's area is difficult terrain.

When the area appears, each creature in it must make a Constitution saving throw. A creature takes 4d10 piercing damage on a failed save, or half as much damage on a successful one. A creature must also make this saving throw when it enters the spell's area for the first time on a turn or ends its turn there.

INSECT PLAGUE

RANK	POINTS	ATTRIBUTE
12 (10)	12	Weapon: Insect Swarm (4d10 piercing damage; Area: 30' -2, Duration: 10 minutes -1, Range: 100' -3; Save +4 [Constitution vs. DC 10+PB])
	12	TOTAL POINTS

MOVE EARTH

Level and School: 6th-Level Transmutation
Casting Time: 1 action
Range: 120 feet
Components: V, S, M (an iron blade and a small bag containing a mixture of soils—clay, loam, and sand)
Duration: Concentration, up to 2 hours

Choose an area of terrain no larger than 40 feet on a side within range. You can reshape dirt, sand, or clay in the area in any manner you choose for the duration. You can raise or lower the area's elevation, create or fill in a trench, erect or flatten a wall, or form a pillar. The extent of any such changes can't exceed half the area's largest dimension. So, if you affect a 40-foot square, you can create a pillar up to 20 feet high, raise or lower the square's elevation by up to 20 feet, dig a trench up to 20 feet deep, and so on. It takes 10 minutes for these changes to complete.

At the end of every 10 minutes you spend concentrating on the spell, you can choose a new area of terrain to affect.

Because the terrain's transformation occurs slowly, creatures in the area can't usually be trapped or injured by the ground's movement.

This spell can't manipulate natural stone or stone construction. Rocks and structures shift to accommodate the new terrain. If the way you shape the terrain would make a structure unstable, it might collapse.

Similarly, this spell doesn't directly affect plant growth. The moved earth carries any plants along with it.

MOVE EARTH

RANK	POINTS	ATTRIBUTE
6 (7)	24	Telekinesis (1,000 tonnes or 20,000 cubic feet; Range: 100' -3; Focussed: Dirt/sand/clay +1, Unique Limiter: Slow movement only +3)
	24	TOTAL POINTS

PLANE SHIFT

Level and School: 7th-Level Conjuration
Casting Time: 1 action
Range: Touch
Components: V, S, M (a forked, metal rod worth at least 250 gp, attuned to a particular plane of existence)
Duration: Instantaneous

You and up to eight willing creatures who link hands in a circle are transported to a different plane of existence. You can specify a target destination in general terms, such as the City of Brass on the Elemental Plane of Fire or the palace of Dispaten on the second level of the Nine Hells, and you appear in or near that destination. If you are trying to reach the City of Brass, for example, you might arrive in its Street of Steel, before its Gate of Ashes, or looking at the city from across the Sea of Fire, at the GM's discretion.

Alternatively, if you know the sigil sequence of a teleportation circle on another plane of existence, this spell can take you to that circle. If the teleportation circle is too small to hold all the creatures you transported, they appear in the closest unoccupied spaces next to the circle.

You can use this spell to banish an unwilling creature to another plane. Choose a creature within your reach and make a melee spell attack against it. On a hit, the creature must make a Charisma saving throw. If the creature fails this save, it is transported to a random location on the plane of existence you specify. A creature so transported must find its own way back to your current plane of existence.

PLANE SHIFT

RANK	POINTS	ATTRIBUTE
1	5	Portal (One plane of choice; Unique Enhancement: Portal destination can be dynamically chosen -2; Equipment: object attuned to the destination plane +1, Unique Limiter: portal closes after use +1)
5		TOTAL POINTS

CONTROL WEATHER

Level and School: 8th-Level Transmutation
Casting Time: 10 minutes
Range: Self (5-mile radius)
Components: V, S, M (burning incense and bits of earth and wood mixed in water)
Duration: Concentration, up to 8 hours

You take control of the weather within 5 miles of you for the duration. You must be outdoors to cast. Moving to a place where you don't have a clear path to the sky ends the spell early.

When you cast the spell, you change the current weather conditions, which are determined by the GM based on the climate and season. You can change precipitation, temperature, and wind. It takes 1d4 × 10 minutes for the new conditions to take effect. Once they do, you can change the conditions again. When the spell ends, the weather gradually returns to normal.

When you change the weather conditions, you do so gradually. You can change the wind's direction.

CONTROL WEATHER

RANK	POINTS	ATTRIBUTE
7 (3)	7	Control Environment (Precipitation, temperature, and wind; Area: 10 miles -6, Duration: 8 hours -3; Activation: 10 minutes +3; Concentration +1, Unique Limiter: Gradual changes only +1)
7		TOTAL POINTS

METEOR SWARM

Level and School: 9th-Level Evocation
Casting Time: 1 action
Range: 1 mile
Components: V, S
Duration: Instantaneous

Blazing orbs of fire plummet to the ground at four different points you can see within range. Each creature in a 40-foot-radius sphere centred on each point you choose must make a Dexterity saving throw. The sphere spreads around corners. A creature takes 20d6 fire damage and 20d6 bludgeoning damage on a failed save, or half as much damage on a successful one. A creature in the area of more than one fiery burst is affected only once.

The spell damages objects in the area and ignites flammable objects that aren't being worn or carried.

METEOR SWARM

RANK	POINTS	ATTRIBUTE
66 (60)	66	Weapon: Meteor Swarm (20d6 fire + 20d6 bludgeoning damage; Area: 30' -2, Range: 1 mile -5, Spreading: 4 different locations -3; Save +4 [Dexterity vs. DC 10+PB])
66		TOTAL POINTS

Definitions: (a) "Contributors" means the copyright and/or trademark owners who have contributed Open Game Content; (b) "Derivative Material" means copyrighted material including derivative works and translations (including into other computer languages), potation, modification, correction, addition, extension, upgrade, improvement, compilation, abridgment or other form in which an existing work may be recast, transformed or adapted; (c) "Distribute" means to reproduce, License, rent, lease, sell, broadcast, publicly display, transmit or otherwise distribute; (d) "Open Game Content" means the game mechanic and includes the methods, procedures, processes and routines to the extent such content does not embody the Product Identity and is an enhancement over the prior art and any additional content clearly identified as Open Game Content by the Contributor, and means any work covered by this License, including translations and derivative works under copyright law, but specifically excludes Product Identity. (e) "Product Identity" means product and product line names, logos and identifying marks including trade dress; artifacts; creatures characters; stories, storylines, plots, thematic elements, dialogue, incidents, language, artwork, symbols, designs, depictions, likenesses, formats, poses, concepts, themes and graphic, photographic and other visual or audio representations; names and descriptions of characters, Spells, enchantments, personalities, teams, personas, likenesses and Special abilities; places, locations, environments, creatures, Equipment, magical or supernatural Abilities or Effects, logos, symbols, or graphic designs; and any other trademark or registered trademark clearly identified as Product identity by the owner of the Product Identity, and which specifically excludes the OPEN Game Content; (f) "Trademark" means the logos, names, mark, sign, motto, designs that are used by a Contributor to Identify itself or its products or the associated products contributed to the Open Game License by the Contributor (g) "Use", "Used" or "Using" means to use, Distribute, copy, edit, format, modify, translate and otherwise create Derivative Material of Open Game Content. (h) "You" or "Your" means the licensee in terms of this agreement.

2. The License: This License applies to any Open Game Content that contains a notice indicating that the Open Game Content may only be Used under and in terms of this License. You must affix such a notice to any Open Game Content that you Use. No terms may be added to or subtracted from this License except as described by the License itself. No other terms or Conditions may be applied to any Open Game Content distributed using this License.

3. Offer and Acceptance: By Using the Open Game Content You indicate Your acceptance of the terms of this License.

4. Grant and Consideration: In consideration for agreeing to use this License, the Contributors grant You a perpetual, worldwide, royalty-free, nonexclusive License with the exact terms of this License to Use, the Open Game Content.

5. Representation of Authority to Contribute: If You are contributing original material as Open Game Content, You represent that Your Contributions are Your original Creation and/or You have sufficient rights to grant the rights conveyed by this License.

6. Notice of License Copyright: You must update the COPYRIGHT NOTICE portion of this License to include the exact text of the COPYRIGHT NOTICE of any Open Game Content You are copying, modifying or distributing, and You must add the title, the copyright date, and the copyright holder's name to the COPYRIGHT NOTICE of any original Open Game Content you Distribute.

7. Use of Product Identity: You agree not to Use any Product Identity, including as an indication as to compatibility, except as expressly licensed in another, independent Agreement with the owner of each element of that Product Identity. You agree not to indicate compatibility or co-adaptability with any Trademark or Registered Trademark in conjunction with a work containing Open Game Content except as expressly licensed in another, independent Agreement with the owner of such Trademark or Registered Trademark. The use of any Product Identity in Open Game Content does not constitute a Challenge to the ownership of that Product Identity. The owner of any Product Identity used in Open Game Content shall retain all rights, title and interest in and to that Product Identity.

8. Identification: If you distribute Open Game Content You must clearly indicate which portions of the work that you are distributing are Open Game Content.

9. Updating the License: Wizards or its designated Agents may publish updated versions of this License. You may use any authorized version of this License to copy, modify and distribute any Open Game Content originally distributed under any version of this License.

10. Copy of this License: You MUST include a copy of this License with every copy of the Open Game Content You Distribute.

11. Use of Contributor Credits: You may not market or advertise the Open Game Content using the name of any Contributor unless You have written permission from the Contributor to do so.

12. Inability to Comply: If it is impossible for You to comply with any of the terms of this License with respect to some or all of the Open Game Content due to statute, judicial order, or governmental regulation then You may not Use any Open Game Material so affected.

13. Termination: This License will terminate automatically if You fail to comply with all terms herein and fail to cure such breach within 30 days of becoming aware of the breach. All sublicenses shall survive the termination of this License.

14. Reformation: If any provision of this License is held to be unenforceable, such provision shall be reformed only to the extent necessary to make it enforceable.
